## club history & mission

HAWAII NEW BRUIN SEND-OFF  
SEPT. 24 2020

1

Officially founded in 1984, Hui O 'Imiloa is a student group that provides students with a place to connect with each other, educate, and celebrate the unique history of Hawai'i and its culture.

2

Hui O 'Imiloa is involved in various cross-cultural, social, and community events, sharing the beauty of the Hawaiian and local culture with its members, campus, and greater community.

3

A "home away from home" for many UCLA Hawai'i students, Hui O 'Imiloa serves as a family for all and a bridge to our diverse cultural roots.

4

Whether you are an incoming Bruin, a continuing student, or simply someone who is interested in learning more about the Hawaiian and local culture, Hui O 'Imiloa welcomes you to join the 'ohana!
